REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The claims are allowable for at least the following reason: The cited claims detail a method / system wherein processing units are allocated / associated with a determined region of a multi-faceted task space such that a point of a task or a value of a task is assigned to a task such that the task is associated with the processing unit that is either close to the point assigned to the task or the processing unit associated with the region associated with the value of the task. None of the cited prior art of record detail the assigning of tasks in a multi-faceted task space based on point values / points being close to or associated with a region of the task space. Therefore, the claims are allowable over the prior art of record.

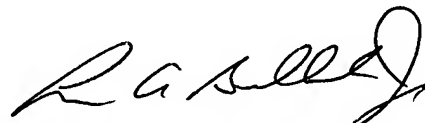

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
